

YEARBOOK APPLICATION FOR TMJH

Due to the high number of students interested in Yearbook and the limited spaces available, we are asking that interested students fill out this application. Yearbook is a project-based class that requires motivated students who will participate in taking pictures at many school events, which means working outside of school hours! It is a rewarding experience because...we are, after all, making the book which captures our year! It is the coolest thing to create the story of Treasure. If yearbook sounds like a good fit for you, please fill out the following application by **Friday, March 8** and return to it to bpacal@pcschools.us.
NO LATE APPLICATIONS WILL BE ACCEPTED.
