- Finance: only money spent so far has been on the bagels, there is plenty of money left for other activities
- PCEF – Beat the Call, Heather will send out an email asking parents to “surprise” the other schools by upping donations and coming out ahead.
- Missy, the assistant principal, asked for 2 volunteers for Advisory Board for the Sex Education Class. Jenny Pelt and Heather Sims volunteered to be those people.
- Honor Roll: treats, donuts in the past, but what other treats could we hand out. Elaine will try and price out prepackaged cookies or chocolate bars to see what would be most economical. Need these by end of October.
- Social Distancing at Lunch: inside and out, need volunteers 2 hours a day to help kids maintain social distancing. There was much discussion about how to get volunteers, and what that would entail. It was discussed that perhaps a college student or other could do it for a stipend.
- Heather discussed that she feels teachers are overwhelmed, and asked if we had money to help overwhelmed teachers with technology, or what they need? Technology may be out of our budget, but perhaps a “buddy” or “tutor” system could be set up. Could we facilitate a “buddy” system? The school doesn’t have the resources to check up on kids, especially ones doing home learning. It was discussed that we send out a survey to teachers asking what specifically would be helpful to them?
